Activities

1) Soft skills certificate course

Enrolment begins in the 1st semester. Spots are limited. After the successful completion of 10 modules, students will be awarded a certificate. The course is approximately 3 years. 22nd batch application

<https://forms.gle/on8L7NhW4nhagB6L6> Please note you will be informed if you have been selected.

2) Seminars and workshops

There are 1 or 2 seminars or workshops organized every month on first come first served basis. More information will be on this page soon. In the meantime, you will receive notices through the batch representative or field representatives.

3) Other Events and Services

The faculty career counsellor is available for appointments for students to discuss future career plans. Mentoring services and mock interviews will be offered in the near future.
